Members who win a new corporate member for NUMOV – the German Near and Middle East Association (recruiting firm to be indicated on the new firm's completed, signed membership application form) – receive a voucher for the participation of one of the company's employees in the seminar “Arabisch verstehen lernen” or „Persisch verstehen lernen”, commensurate to the version of the application forms and programme that is valid at that time (no cash reimbursement possible). Vouchers are valid for twelve months and will be received once the new firm's membership fees have been paid. Participation in the seminar is only possible when registration has been confirmed. Registrations will be recorded in the order they are received, as long as places remain available. Registrations that cannot be accepted because the seminar is already full remain valid for the next session. Seminars are held in German.
